Company Profile

Founded in 1989, Dong Jyue Enterprise Co., Ltd. specializes in importing and processing a diverse range of teas, including black, green, herbal, and Oriental varieties. Our advanced production facilities in Shulin District, New Taipei City, span 3,630 square meters with over 9,900 square meters of building space, equipped with state-of-the-art technology for global tea services. We offer high-quality products, including commercial tea bags, premium loose tea in tin cans, and a variety of flavored tea bags. Our dedication to excellence has built a strong reputation in the food and beverage industry over nearly thirty years.

Dong Jyue's philosophy—"Responsibility, Efficiency, Honor, Innovation"—drives us to deliver top-notch "Dong Jyue Excellent Tea" worldwide, with a commitment to sustainable business excellence and client satisfaction.

“ *In Dong Jyue, we believe that every cup of fine tea embodies our philosophy of sustainable excellence and, with a positive and kind attitude, makes it the perfect cup of tea for everyone* ”

The World Excellent Tea Experts

Expertly blended with the finest tea leaves, our exclusive teas offer endless possibilities, including blended and flavored varieties. Tea is a matter of personal taste, and everyone's preferences are unique. Our skilled tea masters use their deep knowledge of tea leaves and market trends to craft customized teas that suit each individual's taste.

Discover a world of tea possibilities with Dong Jyue, your ideal partner in the tea business!

Product Strengths

- 1 **Ingredient Strength** > A variety of tea ingredients, including black, green, Oriental, and herbal teas, offering great selections to meet your needs.
- 2 **Price Strength** > Bulk purchasing and long-term partnerships with top production tea areas ensure stable quality and competitive prices.
- 3 **Freshness Strength** > Our storage management incorporates FIFO (First In, First Out) to ensure the best freshness of the tea products.
- 4 **R&D Advantage** > Experienced tea masters create perfectly balanced blends from a wide range of tea ingredients, tailored to your preferences.
- 5 **Food Safety Strength** > Each batch of tea leaves undergoes rigorous inspection and comprehensive testing, with full traceability records maintained to ensure safe and reliable quality.

Ingredient Safety

- Pure and Fragrant** Carefully selected tea ingredients from around the world ensure pure quality and refined flavor.
- Environmentally Friendly** Carefully sourced tea-growing regions, prioritizing social responsibilities such as fair trade and environmental protection.
- Safe Ingredients** Undergo rigorous quality control and national pesticide testing standards. Use certified food-grade packaging and advanced supply chain management to ensure freshness and safety.

Strict Quality Assurance

Safe Ingredients

Our tea ingredients are batch-inspected for pesticide residues, packaged in SGS-approved food-grade materials, and kept fresh and safe through a technological supply chain management system.

Quality Control

Our factory has passed FSSC 22000, ISO 9001, HACCP, and HALAL certifications. We collaborate annually with many brands and companies, ensuring strict quality control and reliable traceability.
